

Creative Inclusion

For Young People & their Families: What We're Agreeing To

Creative Inclusion agrees to:

- ★ Offer a safe, welcoming space that reflects your voice and needs.
- ★ Provide a personalised timetable that supports your learning, wellbeing, and creativity.
- ★ Check in regularly and adjust support based on how things feel for you.
- ★ Work with your family, school and other professionals to make sure everything is joined up.

Your Voice Matters

We ask you how you feel at different points in your journey.

You can say as much or as little as you want.

You and your family agree to:

- ✓ A 4-week settling in period to see how things feel.
- ✓ Share information that helps us to support you well.
- ✓ Let us know if anything feels tricky or needs too change.
- ✓ Work with us to plan your next steps when you are ready to move on.
